Dear Lindsey,

Congratulations on your puppy purchase from Jean Maple of Maplewood's Mini Aussies. Jean graciously made a donation in your puppy's name to *Puppies for Life*, a project of Mini Aussie Rescue & Support (MARS). *Puppies for Life* helps Mini Aussies who are not as fortunate as your puppy.

MARS is an all-volunteer non-profit organization dedicated to rescuing homeless, unwanted, abused or neglected Miniature Australian Shepherd dogs. MARS rehabilitates and places lost, unwanted or needy Miniature Australian Shepherds into new homes; assists those individuals who have a need to surrender a Miniature Australian Shepherd; educates the public about Miniature Australian Shepherds; and promotes responsible dog guardianship and breeding.

A *Puppies for Life* certificate is enclosed in honor of Jean's donation. Additionally, there is an informational brochure on the work of MARS on the behalf of Mini Aussies in need.

Sincerely,

Leslie
